### Recitation of the Holy Quran

After the first two assessments of the recitation of the Holy Quran and the basic Arabic alphabet, we can now report that progress is being made. This has been through the hard work of the Students, Teachers and Parents.

We would like to thank all those involved and ask them to continue to work hard to meet the goal of correct recitation of the Holy Quran.

### Students Corner - Letting students do the teaching!

**Importance of Rabi Al Awwal In the Islamic Calendar.**

This is the 3rd month in the Islamic year. This blessed month saw the birth of the Prophet Muhammad SAW. The Arabic translation is "The First Spring" or the first month of spring. In this month The Prophet migrated from Makkah to Madeenah.

**Calling the youth to voice their creativity!**

In this area we would like the children of the Madrasah to participate in our newsletter. We look forward to seeing the wonderful information that our children can input relating to Islamic topics either through history or in the context of the world today.
