Helpful Resources for students and parents

<https://islamiahseries.co.uk/bmaq/agma.html> You will find the Qaida the children are using with correct pronunciation of the letters, to assist them.

NOTE: Please do not teach your kids any new lessons yourself as this will confuse the children in the way we teach. The kids must do the lesson themselves each day according to the schedule provided. If the kids are stuck on any letter then make them look at the previous pages for the answer. Do not tell the kids the answers in any circumstance as they need to work it out themselves. JazakAAllah for your help and support.
